Winter, spring, summer, fall
 These are the seasons; four in all

Look outside and you will see
 Just what season it will be

Winter It's cold outside
 Winter no leaves on the trees
 Winter put on your jacket or you will freeze

Spring It's windy outside
 Spring there's buds on the trees
 Spring wear cooler clothes to enjoy the breeze

Summer It's hot outside
 Summer there's leaves on the trees
 Summer hop in your suit. Let's go swimming please!

Autumn It's cool outside
 Autumn all the leaves will fall
 Autumn jackets on, jackets off. Be ready for it all

Winter, spring, summer, fall
 These are the seasons; four in all
