The Habitat Rap

By Janet LaFaille

The habitat rap....the habitat rap

We are all earth's creatures and we're here in this place

A habitat gives us food, water, shelter, space

We're homeys in our biome and our biome is our home

Our home is an ecosystem...it's how we get along

So listen while we sing this ecosystem song

Take care of your habitat...we can all get along

A habitat gives us food, water, shelter, space

We are all earth's creatures and we're here in this place

The habitat rap....the habitat rap
