Try Again

By: T. Mosley Adapted By: S. Wargaski

What would you do to survive
In emergency circumstances?
An accident or health concern
Or the wrong place at the wrong time.

Chorus (x 2):

If at first you don't succeed,
Dust yourself off and try again,
Dust yourself off and try again, try again.

Now would you run away or stay and fight?
Would you take action or hope for luck?
Make a plan and stay calm,
Or would you hope for a hero?

Chorus (x2)
